## Sustainable Campus Initiative Newsletter

Ensuring Sustainable Footprint!

### QUOTE OF THE EDITION:

"Today for Tomorrow embodies the UAE's approach and commitment to sustainability and its responsibility to protect the future. By working, making efforts and initiating actions today, we are ensuring that we leave behind a legacy of stewardship for future generations, just as our ancestors did for us."

— His Highness Sheikh Mohamed bin Zayed Al Nahyan, President of United Arab Emirates.

## Opening note

### Year of Sustainability

His Highness Sheikh Mohamed bin Zayed Al Nahyan, President of United Arab Emirates announced that the year 2023 is the sustainability year. A theme given to demonstrate the efforts and value of sustainability in the UAE.

The citizens and residents of the UAE represent building blocks that resemble cumulative efforts done to achieve environmental sustainability, our role this year is to highlight best practices that excels the countries status.

Get creative to bring out the best.
